Ray Thornton

Ray Thornton became the 17th president of the University of Arkansas February 15, 1984, coming from the presidency of Arkansas State University in Jonesboro. He has also been executive director of the Joint Educational Consortium of Ouachita Baptist University and Henderson State University.

After 14 years of private law practice in Sheridan and Little Rock, Thornton was elected a delegate to Arkansas' 7th Constitutional Convention, was elected state attorney general in 1970 and served three consecutive terms in the United States House of Representatives. While in Congress, he served as chairman of the House Subcommittee on Science, Research and Technology and was the author of major national legislation affecting science, energy and agriculture. He served on the House Committee on the Judiciary during impeachment hearings directed at President Richard M. Nixon and confirmation hearings for President Gerald Ford and Vice President Nelson Rockefeller.

His educational background includes work at the University of Central Arkansas and the University of Arkansas, Fayetteville. He enrolled in the UA School of Law in Fayetteville in 1947 before receiving a scholarship which led to a Bachelor of Arts degree in international studies at Yale University in 1950. After three years of active duty in the U.S. Navy during the Korean War, he attended the University of Texas Law School and, in 1956, received his Juris Doctor degree from the UA School of Law.

Thornton has been awarded an honorary Doctor of Laws degree by Harding University, an honorary Doctor of Letters by the College of the Ozarks, and is serving as Distinguished Professor of Interdisciplinary Studies in the Fulbright College of Arts and Sciences, University of Arkansas, Fayetteville.

He has served as a member and Chairman of the National Institutes of Health's Recominant DNA Advisory Committee and is a member of the Advisory Board of New York University's Center for Science and Technology Policy. The University Mace and Batons

The Mace and Batons are symbols of the authority and history of the University and are made from newel posts from the original main staircase of Old Main, erected in 1875, the oldest University building now standing. The Batons are carried by members of the faculty who have served as chairs of the University Senate or the Campus Faculty. The Mace is carried by the Chief Marshal, who is the current chair of the Campus Faculty.

Marshals' Gowns

The gowns worn by the Marshals are of the traditional University color, cardinal red.

Honor Stoles

White or cardinal stoles denote students who are candidates for University honors. White represents High Honors (summa cum laude) and cardinal represents Honors (cum laude).

Academic Regalia

The styles of gowns differentiate degree level. Trim of doctoral gowns indicates nature of degree (black or dark blue—Ph.D.; light blue—Ed.D.). Certain members of the faculty wear distinctive gowns and hoods authorized by their doctoral institution. The lining of the hoods denotes the color(s) of the institution awarding the degree. The official colors of the University of Arkansas are cardinal and white.

The color of the velvet band around the hood designates the academic major in which the wearer has taken his or her degree. Some examples are listed below:

Agriculture	Maize	Medicine	Green
Arts and Letters	White	Music	Pink
Business and Bus. Admin	. Drab	Nursing	Apricot
Dentistry	Lilac	Pharmacy	Solid Green
Economics	Copper	Philosophy	Dark Blue
Education	Light Blue	Physical Education	Sage Green
Engineering	Orange	Public Administration	Peacock Blue
Fine Arts	Brown	Public Health	Salmon Pink
Forestry	Russett	Science	Golden Yellow
Home Economics	Maroon	Social Science	Cream
Humanities	Crimson	Social Work	Citron
Journalism	Crimson	Speech	Silver Gray
Law	Purple	Theology	Scarlet
Library Science L	emon Yellow	Veterinary Science	Gray

The University Song

In 1909 a prize of fifty dollars was offered for the best poem relating to the University of Arkansas which should be capable of being set to music and used as a college song. Out of many entries, that of Mr. Brodie Payne, '06, of Hot Springs won the prize. The words were set to music by Professor H. D. Tovey, Director of the conservatory of Music and Art at the University.

Alma Mater

Pure as the dawn on the brow of thy beauty Watches thy soul from the mountains of God Over the Fates of thy children departed Far from the land where their footsteps have trod. Beacon of Hope in the ways dreary lighted; Pride of our hearts that are loyal and true; From those who adore unto one who adores us—Mother of Mothers, we sing unto you.

We, with our faces turned high to the Eastward Proud of our place in the vanguard of Truth, Will sing unto thee a new song of thanksgiving—Honor to God and the Springtime of Youth. Shout for the victor or tear for the vanquished; Sunshine or tempest thy heart is e'er true; Pride of the hills and the white-laden Lowlands—Mother of Mothers, we kneel unto you.

Ever the Legions of Sin will assail us,
Even the Battle in Cities afar;
Still in the depths will thy Spirit eternal
Beckon us on like a piloting Star.
Down the dim years do thy dead children call thee,
Wafted to sleep while the Springtime was new;
We, of the Present, thy Hope of the future—
Mother of Mothers, we pray unto you.

HONORARY DEGREES

Doctor of Laws William Thomas Dillard Jackson T. Stephens

CITATIONS

Distinguished Alumni William Thomas Dillard Charles M. Kittrell, II

Honorary Degree Commendation

Jackson T. Stephens

Jackson T. Stephens is a builder of human and financial resources. He has demonstrated in an exceptional manner that the development of capital should be utilized effectively in people-oriented programs, particularly in the field of education.

For more than three decades Mr. Stephens has taken a dynamic leadership role in activities important to the University. He was appointed in 1948 as the youngest member ever to the University's Board of Trustees, and served until 1958. He has served as a member of the University's National Development Council, and together with his wife, Mary Anne, made the donation in 1981 which resulted in the naming of the J. William Fulbright College of Arts and Sciences and the establishment of the Fulbright Institute of International Relations. This action created the impetus for an accelerated thrust toward achieving the potential of Fulbright College in gaining international recognition and support, thereby enhancing the role of the University of Arkansas in the future of Arkansas higher education.

Mr. Stephens, chairman of the board and chief executive officer of Stephens Inc., has played a significant role in the formation of capital for investment purposes in Arkansas, leading to the development by Arkansas-based companies of nationally recognized enterprises in fields as varied as computer software, transportation, retailing, health care and international banking.

Mr. Stephens and his brother, Mr. Witt Stephens, operate what has been recognized as the nation's largest investment firm off Wall Street. In addition to providing venture capital for others, the firm has contributed significantly to Arkansas in such fields as real estate development, banking, manufacturing, insurance, utilities and natural gas production.

He is the recipient of the national Horatio Alger Award, and with his brother was honored this year as Little Rock Businessman Of The Year. He was also recognized as Distinguished Citizen of the Year for 1985 in KARK-TV's community service program. Mr. Stephens is a former director of the Little Rock Boys Club, has served as campaign chairman for the Quapaw Area Council of Boy Scouts of America, was co-chairman of St. Vincent Infirmary's development fund, and formery served as a member of the Missouri Pacific and Burlington Northern boards of directors. He is a member of Wal-Mart Stores board of directors.

This marks the second time that Mr. Stephens has been honored at a commencement of the University of Arkansas. In 1965, he received the Distinguished Alumnus Citation from this institution.

Upon graduation from Columbia University Business School, Dillard accepted a position with Sears, Roebuck and Co. After completing a special management trainee class for the company, he worked with a Sears store in Tulsa for nine months before deciding to return to southwest Arkansas to open his own business. This was the beginning of a chain of 93 stores operating in 11 states, with sales up to \$1,277,280,000 by the end of 1984. His son, William T. Dillard, II, president and chief operating officer of Dillard's, is a graduate to the University of Arkansas. A third son, James Michael Dillard, is president of Dillard's Little Rock Division.

Throughout the 47-year growth of the corporation, Dillard has maintained a position of leadership in civic, educational and philanthropic organizations. He has been recognized as Outstanding Retailer of the Year by B'nai B'rith. He also has been cited by the governors of Arkansas, Missouri, Oklahoma, and Louisiana for his outstanding contributions to the retail industries of their states.
